

Extend Your Start-Up Runway

Agilent Instrument Subscriptions

Let your science, not your funding, drive your success

Struggling to place the right instruments in your lab at the right time—without high upfront costs? Agilent Instrument Subscriptions let you bundle instruments, software, consumables, and services into a single monthly payment. That means you get quick access to the technologies you need to launch your business and gain a competitive edge.

With Agilent Instrument Subscriptions, you can:

Stretch your investment funding by reducing capital expenditures.

Keep your lab equipment up to date with the latest technology and software.

Maintain consistent monthly costs and simplify ordering.

Ensure optimal performance with included software, updates, preventive maintenance, and repair services.

Maintain the flexibility to upgrade, change, or return the equipment after 12 months as your needs evolve.

What can you get with an Agilent Instrument Subscription?

- Access to an Agilent instrument
 - CrossLab Start Up and First Run Assist
 - Software updates and support
 - Agilent University ePass
 - CrossLab Silver service plan with preventative maintenance
 - Method and application services
 - Parts, supplies, and consumables with a Flexible Spend Plan account
 - Smart Alerts instrument diagnostic software
 - CrossLab Customer Success services
- All for one predictable monthly cost.

Focus more of your capital budget on advancing your science.
