

Extend Your Startup Runway with Agilent Instrument Subscriptions

*"My seed funding only goes so far.
I can't afford the equipment I need,
plus everything else."*

With Instrument Subscriptions, you can:

- Lower your upfront costs
- Stretch your investment funding by reducing capital expenditures
- Have a predictable monthly payment that covers your instrument, consumables, preventive maintenance, and more

*"I need quality, up-to-date equipment
to drive my discovery pipeline."*

Instrument Subscriptions let you:

- Equip your lab with the latest technology
- Keep your instruments current with regular software updates
- Optimize instrument performance

*"My costs are unpredictable, and my
team's livelihood is on the line."*

Instrument Subscriptions make it easy to:

- Maintain predictable monthly costs
- Simplify your ordering process
- Minimize budget worries

Let your science, not your funding, drive your success

Easily move
instruments in and out
as your needs change

Always have the
most up-to-date
instrument software

Spend your
capital on what
best suits your lab

Maintain predictable monthly
spending for instruments,
consumables, and repairs

Focus more on other
aspects of your business
